Product Description (SS Water Cooler)

Stainless Steel Water Cooler & Purifier(Stainless Steel Water Fountain)

- WACO's SS Water Cooler dispense filtered and chilled water through robust anti-tamper bubbler and Faucet.
- WACO's SS Water Cooler is perfectly matched with public place like office, school, hospitals, hotels, exhibit halls and other places with superior capacity and efficient energy usage.

Features & Functionality (Stainless Steel Water Cooler)

Easy Installation & Use by Simple Structure

- Easy Installation & Use by connection of inlet/outlet port with feed water and drain water.
- Easy to move by small size of the frame.

2-Way Water Supply

- A sufficient water supply through Bubbler & Faucet

Features & Functionality (Stainless Steel Water Cooler)

Safe Water Supply & Easy Maintenance

- WACO's SS Water Cooler provides Safe Water by Excellent Water Purification System.(Option)
- Easy Maintenance by Quick Change Type of Water Filters(Optional)

Certificates (HEALSUMM-Q : HQ7, HQ9)

Certificates

Certificate	CE
Certificate No.	22278S
Model	HEALSUMM-Q

Certificates

Certificate	CB
Certificate No.	FI-48260
Model	HEALSUMM-Q

Optional Water Filtration System

Optional Water Filtration System could be applied with various kinds of quick change type of water filters depending on raw water quality.

Optional Filter System

High-Quality UF Membrane Filter (WACO Original)

[Premium]
WACO UF Membrane Filter provides Premium Water with Rich Taste and Minerals

[Clean]
WACO UF Membrane Filter provides Clean Water which eliminated Virus, Heavy Metals, Germs and Microorganism.

[Safety]
WACO UF Membrane Filter provides Safe Water which removed high molecular-weight substances, colloidal materials and organic and inorganic polymeric molecules, bacteria except minerals with pore sizes 0.03 to 0.05um

WACO UF Membrane Filter provides Premium Water with Rich Taste and Minerals

WACO UF membrane eliminates most of contaminants from raw water.

WACO Membrane
WACO UF Membrane designed for outstanding membrane separation, extreme productivity and efficiency, and exceptional reliability.

Features & Functionality (Stainless Steel Water Cooler)

High Level of User Satisfaction

Powerful Compressor produce a chilled water continuously.

Product Specification

Material of Body	Stainless Steel
Tank	Stainless steel (5liters)
Voltage/Frequency	220 - 240 / 50 Hz
Max. Colling Power	232W
Cooling Capacity	22 Lph (≤ 10°C)
Filter System(Optional)	HEALSUMM-Q(Part No. HQ7 or HQ9), Quick Change Type
Connection	1/4"~ 3/8" Tube Fitting
Shipping Dimensions	305 x 315 x 1,220(H)mm
Weight	Approx. 18Kg
